Pablo Lloyd OBE

CEO and Co-Founder, Visionnaires

"We created Visionnaires so more people can bring their business dreams to life. Most people want to start a business or become self-employed, but practical support is hard to find. Our programmes are designed and delivered by entrepreneurs, with practical steps, advice and resources which help new businesses succeed."

From Visionnaires participants:

"I have nothing but positive things to say. I loved the energy and support on every single workshop." **AG**

"The content was easy to understand, easy to follow, very informative." **LC**

"I'm definitely recommending Visionnaires to people I know." **CM**

"I was lost before doing this programme and now I am on my way to great things so thank you." **LA**

"Receiving feedback and ideas from the facilitator and other participants was invaluable, as they heard things I didn't." **PB**

"Visionnaires is creating magic." **RS**

"The facilitator gave me the confidence to keep pursuing what I thought would stay just dreams, they made me realise by giving me tools and knowledge, so if the idea is good and you understand how to deliver it, the business will work." **MF**

"I was most nervous about the finance aspect of my business and the workshops really helped me confront questions and issues and set a good and viable plan in motion." **SF**

START-UPS & SELF-EMPLOYMENT ↗

Start-ups & self-employment are critical to the economy...

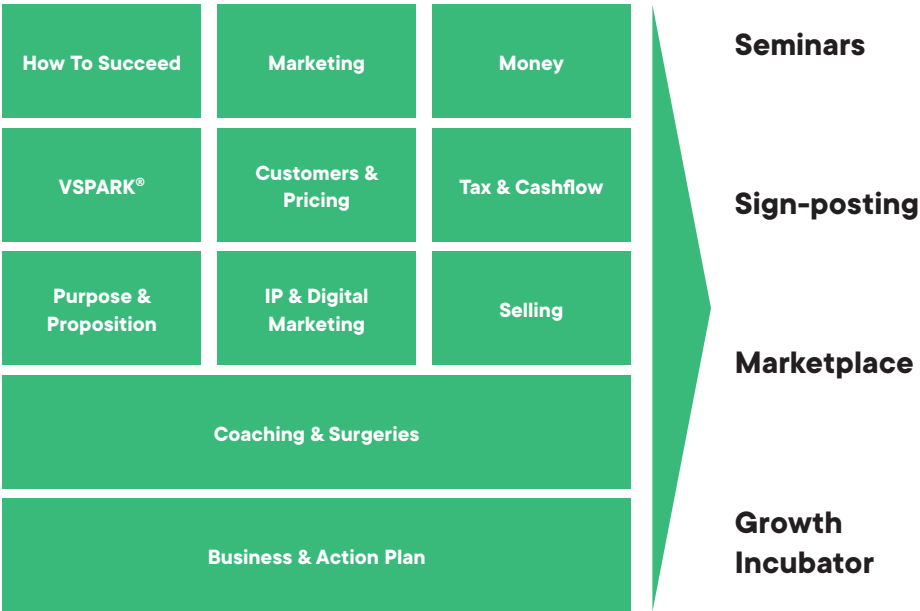

The programme is for adults over the age of 19 who are interested in setting up their own business and would like support in getting started.

So, if you are over 19, have a business idea, want to work for yourself or have recently started trading, come and join us on this free online programme.

VISIONNAIRES ECO-SYSTEM ↗

See below for an outline of the course.

start your own business

If you are aged 19 or older and have a business idea, want to work for yourself or have recently started trading, Start Your Own Business, our FREE short programme, will give you the inspiration and practical tools to start and grow.

In a series of live, interactive webinars, delivered by start-up specialists Visionnaires, you will learn about marketing and finance, acquire a bank of practical resources, build your business plan and deliver a sales pitch. And you will receive one-to-one feedback.

Programmes run on a regular basis for 1 day a week over a 5 week period 09:30 – 16:30. There are a number of start dates throughout the year.

96% of previous Visionnaires participants rated this programme **'excellent'**. Feedback included *"everything was planned step-by step on how to start and grow a business"*, *"all my queries were answered"* and *"now I'm confident to start a business."*

We will be running start dates throughout the year. Please contact business@stcg.ac.uk for more information.

See visionnaires.ac.uk/marketplace for some of the businesses which have been helped on this programme.
